

MANOR OF GLASSENBURY RENTAL 1603

U47/11 M9

Abstracted by A.F.Singleton Oct 1990

NOTES: The rental was made for Thos ROBERTS of Glassenbury at the feast of St John the Baptist and covers the dens of Cranbrook, Badlinden & Swatlingden in Cranbrook, Glassenbury, Iden & Lucton in Cran & Goudhurst, & Hockeredge in Hawkhurst. On the reverse is the note "From 1603 to 1678" Beside each tenant's entry there is a set of tally marks, presumably the bailiff/steward keeping a record of the payments made. However, there are at most 20 marks. Land seems to carry a quitrent of ca. 1d per acre.
